Hey, if we can't solve any problem
So why do we use so many tears
Oh and so you go again
When the leading man appears
Oh it's the same thing
Can't you see we've got every thing going on and on
and on

Every time you go away
You take a piece of me with you
Every time you go away
You take a piece of me with you

Go on and go free
Baby you're too close to see
I can feel your body move
Doesn't mean too much to me

And I can't go on
Saying the same thing
Coz' baby can't you see we've got every thing going on
and on and on
Every time you go away
You take a piece of me with you
Every time you go away
You take a piece of me with you

Every time you go away
You take a piece of me with you ...
