Hey, if we can solve any problem
Then why do we lose so many tears
Oh, and so you go again
When the leading man appears
Always the same thing
Can't you see, we've got everything goin' on and on
and on

Every time you go away you take a piece of me with you
Every time you go away you take a piece of me with you

Go on and go free, yeah
Maybe you're too close to see
I can feel yor body move
It doesn't mean that much to me
I can't go on sayin' the same thing
Just can't you see, we've got everything do you even
know we know

Every time you go away you take a piece of me with
you, oh
Every time you go away you take a piece of me with you

I can't go on sayin' the same thing
'Cause baby, cancha see, we've got everything goin' on
and on and on
