"Father figure"

I will be your father figure (Oh baby)
Put your tiny hand in mine (I'd love to)
I will be your preacher teacher (Be your daddy)
Anything you have in mind (It would make me)
I will be your father figure (Very happy)
I have had enough of crime (Please let me)
I will be the one who loves you
'Til the end of time

That's all I wanted, something special
Something sacred in your eyes
For just one moment, to be warm and naked
At your side

Sometimes I think that you'll never understand me
Maybe this time is forever, say it can be

I will be your father figure (Oh baby)
Put your tiny hand in mine (I'd love to)
I will be your preacher teacher (Be your daddy)
Anything you have in mind (It would make me)
I will be your father figure (Very happy)
I have had enough of crime (Please let me)
I will be the one who loves you
'Til the end of time
