The sun goes down,the stars come out,
And all that counts is here and now,
My universe will never be the same,
I'm glad you came.
You cast a spell on me, spell on me
You hit me like the sky fell on me, fell on me
And I decided you look well on me, well on me
So let's go somewhere no one else can see, you and
me.
Turn the lights out now,now I'll take you by the hand,
Hand you another drink,drink it if you can,
Can you spend a little time,time is slipping away,
Away from us so stay,stay with me,I can make,
Make you glad you came.
The sun goes down,the stars come out,
And all that counts is here and now,
My universe will never be the same,
I'm glad you came,I'm glad you came.
You cast a spell on me, spell on me
You hit me like the sky fell on me, fell on me
And I decided you look well on me, well on me
So let's go somewhere no one else can see, you and
me
Turn the lights out now,now I'll take you by the hand,
Hand you another drink,drink it if you can,
Can you spend a little time,time is slipping away,
Away from us so stay,stay with me,I can make,
Make you glad you came.
The sun goes down,the stars come out,
And all that counts is here and now,
My universe will never be the same
I'm glad you came,I'm glad you came.
I'm glad you came
So glad you came
I'm glad you came
I'm glad you came
The sun goes down,the stars come out,
And all that counts is here and now,
My universe will never be the same,
I'm glad you came,I'm glad you came.
