If tomorrow all I had was gone, All I'd hope to see
And I had to start again, with just my friends and family
I'd thank my lucky stars, to be living here today
'Cause the flag still stands for freedom
And they can't take that away.

[CHORUS x1]

Cause I'm proud to be an american
And at least I know I'm free
And I won't forget the men who died and gave that
right to me
As I gladly stand up next to you
And defend her still today
Cuz there ain't no doubt I love this land
God Bless the USA
