Have yourself a merry little christmas
Let your heart be light
From now on, our troubles will be out of sight (oh)
Have yourself a merry little christmas
Make the yule tide gay
From now on our troubles will be miles away (oooh)
Here we are like the olden days
Happy golden days of yore (oh)
Faithful friends who are dear to us, gather near to us
once more
Through the years we all will be together(together)
If the fates allow
Hang the shining star upon the highest bough
And have yourself a merry little christmas now
(now.....ohhh..)
Here we are like the olden days
happy golden days of yore
Faithful friends who are dear to us, gather near to us
once more
Through the years we all will be together
Hang the shining star upon the highest bough
And have yourself a merry little christmas now
