How do I get thru one night without you,
If I had to live without you,
What kind of life would that be.

Oh and I, I need you in my arms
Need you to hold,
You're my world, my heart, my soul.
If you ever leave
Baby, you would take away
Everything good in my life.

Without you there'd be no sun in my sky.
There would be no love in my life.
There'd be no world left for me

And I, baby I don't know what I would do.
I'd be lost if I lost you
If you ever leave
Baby, you would take away
Everything real in my life
And tell me now.....

How do I live without you?
I want to know.
How do I breathe without you?
If you ever go
How do I ever, ever survive?
How do I, how do I
Oh, how do I live?

If you ever leave.
Baby you would take away everything
Need you with me
Baby, 'cause you know that you're
Everything good in my life
And tell me now
How do I live without you?
I want to know
How do I breathe without you?
If you ever go.

How do I ever, ever survive?

How do I, how do I
Oh, how do I live
How do I live without you, baby?
