Have you ever reached a rainbows end?
and Did you find your pot of gold?
Ever catch a shooting star?
and Tell me how high did you soar?
Ever felt like you were dreaming just to find that your
awake?
and that magic that surrounds you can get you up and
guide you on your way

I can see it in the stars accross the sky
Dreamt a 100,000 dreams before Now I fianlly realize
you see I 've waited all my life for this moment to arrive
and Finally
I believe in the impossible
if I recieve within my heart
Overcome the obsticles
Wont let this dream just fall apart
you see I strive to be the very best
Shine my light for all to see
cause anything is possible
When you believe

I can see it in the stars accross the sky
Dreamt a 100,000 dreams before Now I fianlly realize
you see I 've waited all my life for this moment to arrive
and Finally
I believe
I said I believe

Love keeps lifting me higher
you ought to try it for your self
Lifting me higher
love keeps lifting me higher
higher higher higher higher
love keeps liften
love keeps liften me higher
Higher
