Lyin' here with you
Listening to the rain
Smiling just to see
The smile upon your face

These are the moments
I thank God that I'm alive
These are the moments
I remember all my life

I've found all I've waited for
And I could not ask for more

I could not ask for more than this time together
I could not ask for more than this time with you
Every prayer has been answered
Every dream has come true

Yeah, right here in this moment
Is right where I meant to be
Right here with you
Here with me

Oh I could not ask for more than the love you give me
Because it's all I've waited for
And I could not ask for more
Oh no, I could not ask for more
