Share my life, take me for what I am
'Cause I'll never change all my colors for you

And I don't really need to look very much further
I don't really want to go where you don't follow
And I won't hold it back again this passion inside
I can't run from myself, there's no where to hide

So don't make me close one more door
I don't wanna hurt anymore
Stay in my arms, if you dare
Or must I imagine you there?

Don't walk away from me
I have nothing, nothing, nothing
If I don't have you
