Share my life, take me for what I, I am
'Cause I'll never change all my colors for you

I don't really need to look very much farther
I don't wanna have to go where you don't follow
I won't hold it back again this passion inside
I can't run from myself. there's nowhere to hide

Don't make me close one more door
I don't wanna hurt anymore
Stay in my arms, if you dare
Or must I imagine you there?

Don't walk away from me, no
Don't walk away from me
Don't you dare walk away from me
I have nothing, nothing, nothing
If I don't have you
