Share my life, take me for what I, I am  
'Cause I'll never change all my colors for you

I don't really need to look very much farther  
I don't wanna have to go where you don't follow  
I won't hold it back again this passion inside  
I can't run from myself. there's nowhere to hide

Don't make me close one more door  
I don't wanna hurt anymore  
Stay in my arms, if you dare  
Or must I imagine you there?

Don't walk away from me, no  
Don't walk away from me  
Don't you dare walk away from me  
I have nothing, nothing, nothing  
If I don't have you
