I know you don't mean to be mean to me
'Cause when you want to
You can make me feel like we belong
We belong
Lately you make me feel all I am is a backup plan
I'll say I'm done and then you smile at me
And I'll forget everything I said
I buy into those eyes
And into your lies
You say you'll call but I know you
You say you're comin'™ home but I know you
You say you'll call but I know you won't
You say you'll call but I know you won't
I wish you were where you're supposed to be
Close to me
But here I am just starin'™ at this candle burnin'™
out
There's still no sound
Of footsteps on my stairs
Or your voice anywhere
You say you'll call but I know you
You say you're comin'™ home but I know you
You'll say you'll call but I know you won't
You say you'll call but I know you won't
You say you'll call but I know you
You'll say you're comin'™ home but I know you
You'll say you'll call but I know you won't
You say you'll call but I know you won't
