well she was just seventeen  
you know whot I mean  
and the woy she looked was way beyond compare  
so how could I sleep with another  
when I saw her standing there  
well she looked at me  
and I could see that  
before too long I'd fall in love with her  
she wouldn't kiss with another

when I saw her dancing there  
well my prick went zoom  
when I crossed that room  
and I shaked her tits with no mercy  
(oh) we f\*\*ked through the night  
and we held each other tight  
and before too long I fell in love with her  
now I'll never screw with another  
since I saw her standing there
