You

Say a little prayer for you  
Me a-go say a little prayer for you

From the moment me wake up  
Before me put on me make up  
Me say a little prayer for you  
Me combing me hair now  
Me a-wonder which dress fe wear now  
Me say a little prayer for you

(Forever and ever)  
You stay in my heart  
And I'll love you  
(Forever and ever)  
We never will part  
And I'll love you  
(Together, together)  
That's how it should be  
Without you  
Would only be heartbreak for me

Me run fe the bus, love  
Me a-ride and me a-think 'bout us, love  
Me say a little prayer for you  
(Say a little prayer for you)  
At work I just take time  
And all through my coffee break time  
Me say a little prayer for you  
Oh

Forever and ever  
You stay in my heart  
And I'll love you  
Forever and ever  
We never will part  
And I'll love you  
Together, together  
That's how it should be  
Without you

Would only be heartbreak for me

Say a little prayer for you  
Me a-go say a little prayer for you

Me darling, believe me  
For me there is no one but you  
Say you love me too  
Oh

(Forever and ever)  
You stay in my heart  
And I'll love you  
(Forever)  
And ever  
We never will part  
And I'll love you  
Together, together  
That's how it should be  
Without you  
Forever and ever  
You stay in my heart  
And I love you  
(Forever and ever)  
We never will part  
And I love you  
(Together, together)  
That's how it should be  
Without you  
Would only be heartbreak for me  
Yeah, nobody  
Heartbreak

Forever and ever  
You stay in my heart  
And I'll love you  
Forever and ever  
We never will part  
And I'll love you  
(Together, together)  
That's how it should be  
And I love you  
(Forever and ever)  
Will stay in my heart  
Forever and ever

(Forever and ever)  
Together, together  
That's how it should be  
Without you  
Would only be heartbreak

(For me)  
Only be heartbreak for me  
Yeah

(Forever and ever)  
Oh  
(You stay in my heart)  
And I'll love you  
(Forever and ever)  
We never will part  
And)  
I'll love you  
(Together)  
Together  
(Together)  
Together  
(That's how it should be  
And I'll love you  
Forever and ever).
