8. I'LL NEVER FALL IN LOVE AGAIN

Songs on the radio, music that I know.
Seems like the band can play, the story of my life.
Just listen to that broken heart.
That poor soul in love.
Is it me they're singing to,
Or am I just a stranger,
Whose song has just begun?
Just listen to that broken heart,
It's torn apart.
That poor soul in love.
I always believed in you,
Never thought it was true.
I'll never-ever fall in love again.
I always believed in you,
Never thought it was true.
I'll never-ever fall in love again.
Is it me they're singing to,
Or am I just a stranger,
Whose song has just begun?
Just listen to that broken heart,
It's torn apart.
That poor soul in love.
I always believed in you,
Never thought it was true.
I'll never-ever fall in love again.
I always believed in you,
Never thought it was true.
I'll never-ever fall in love again.
I always believed in you.
Never thought it was true.
I'll never-ever fall in love again.
In love again.
In love again.
