Sometimes I try to tell you By the same how much I love You and the way you touched My hand, you always do it again

I don't know how it is...to be a better boy I don't what it takes...to make my dream Come true

Chorus:

In your dreams..in your dreams..you never know what Happened to me. Oh baby you will never find my way When you are gonna stay home but if you make the day

Until I get away...until I get away

Everytime I look you in the eye You always walk away and never Come back but I don't care that You aren't here to stay with me

Oh, I don't know how it is..to be a better boy Oh, I don't know how it takes.. to make my dream Come true, come true, come truuuue (yeah)
