This is a man's world

Chorus:

This is a man's world
But it would be nothing
Nothing, without a woman or a girl

Man made the car
To take us over the road
Man made the train
To carry the heavy load
Man made the electric lights
To take us out of the dark
Man made the boat for the water
Like Noah made the ark

(chorus)

Man think about
A little bitty baby girl
And a baby boy
Man makes them happy
'Cause man makes them toss
And after man make everything
Everything he can
You know man makes money
To buy from a other man

(chorus)

He's lost in the wilderness
He's lost in bitterness
He's lost in the wilderness
He's lost in his bitterness

He's lost
He's lost in the bitterness
He's lost
