I will not make the same mistakes that you did
I will not let myself cause my heart so much misery

You never thought of anyone else
You just saw your pain
And now I cry
In the middle of the night
For the same damn thing

Because of you
I never stray too far from the sidewalk
Because of you
I learned to stray on the safe side *so I don't get hurt*

Because of you
I tried my hardest just to forget everything
Because of you
I don't know how to let anyone else in
Because of you
I'm ashamed of my life because it's empty
Because of you
I am afraid

Because of you
