Ummm mmmm mmm mmm...

Never felt so ugly,
Pretending that he loves me
Sometimes its just that money
Never had to afford me,
Now I'm sick and tired of
You just taking right off
Know when I forgive you.

You aint here for dinner,
Like im a beginner
I loved you for your inner, inner, inner,
And the next guy is out there... somewhere
But you wont dare,
Cause you too scared.

Have you ever
Needed someone so bad
But he aint willing to make it last
Sometimes you gotta lose, to win again
If it makes you cry, cry, cry,
And all you do is smile
Can't get no sleep at night
Sometimes you gotta lose, to win again

Ever felt this sorry
All you did was worry
You didn't want nobody
Thought it would get better
But its fallen more than,
Oh its fallen more than... ever
I just hope that we would
Cause ya, always up to no good
Maybe it will take someone else
To show me better
But I don't wanna leave ya ((ooh ey))

Have you ever
Needed someone so bad
But he aint willing to make it last

Sometimes you gotta lose, to win again
If it makes you cry, cry, cry,
And all you do is smile
Cant get no sleep at night
Sometimes you gotta lose, to win again

Some of know what it feels like
Caught up just in his light
Don't wanna try again
Thinking what's the difference
Why am I not interested
Cause when you've been broken you feel like, no one,
can fix it ((yeah))

Have you ever
Needed someone so bad ((needed someone so bad))
But he aint willing to make it last
Sometimes you gotta lose, to win again ((win again))
((ohh and if it makes you cry)) If it makes you cry, cry,
cry
And all you do is smile
Cant get no sleep at night
Sometimes you gotta lose, to win again ((gotta lose))
((yea))

Have you ever ((have you ever))
Needed someone so bad ((so bad yea))
((to make it last))
Sometimes you gotta lose ((sometimes you gotta lose))
To win again ((to win again))
