I remember all my life
Raining down as cold as ice
Shadows of a man
A face through a window
Crying in the night
The night goes into

Morning, just another day
Happy people pass my way
Looking in their eyes
I see a memory
I never realized
How happy you made me oh Mandy

Well you came and you gave without taking
But I sent you away, oh Mandy
Well you kissed me and stopped me from shaking
And I need you today, oh Mandy

I'm standing on the edge of time
I Walked away when love was mine
Caught up in a world of uphill climbing
The tears are on my mind
And nothing is rhyming, oh Mandy

Well you came and you gave without taking
But I sent you away, oh Mandy
Well you kissed me and stopped me from shaking
And I need you
