Ok it's alright with me
some things are just meant to be
it never comes easily
and when it does I'm already gone
I'm practically never still
more likely to move until
i end up alone at will
my life continues inching along
When Bernadette comes
I get lost
on her time
she's much too sweet
and she's always gonna be
when i return
to her arms
and her eyes
it might not be the same
but it's alright with me
Ok it's alright to me
some people are scared to see
what's happening frequently
but I would never shy from a fight
heartbeat with a high demand
often will go hand in hand
but I'm sick of just starting plans
i wanna spend the rest of my life
When Bernadette comes
I get lost
on her time
she's much too sweet
and she's always gonna be
and when i return
to her arms
and her eyes
it might not be the same
but it's alright with me
it's alright with me
it's alright with me
it's alright with me
ok it's alright
with me
ohh it's alright

with me
ohh it's alright
with me
okay its alright with me
okay its alright with me
some things are just meant to be,
it never comes easily
and when it does I'm already gone
