[Chauncey talking:]

Hey, I know how you feel. You feel alone. But all you have to do is... reach out.

[Chauncey:]

Now if you feel that you can't go on

([girls:] can't go on)

Because all of your hope is gone

([girls:] all your hope is gone)

And your life is filled with much confusion

([girls:] much confusion)

And happiness is just an illusion

([girls:] happiness is just an illusion)

And your world around is crumblin' down

Darling

[Girls:] Reach Out, reach out

[Chauncey:] Come on girl, reach out for me. Reach out for me

[All:]

I'll be there.

With a love that will shelter you.

And I'll be there, with a love that will see you through.

[Tori:]

When you feel lost and about to give up

([girls:] don't give up)

Cause your best just ain't good enough

([girls:] just ain't good enough)

[Taylor:]

And you feel the world is growing cold

([girls:] growing cold)

And your drifting out on your own

([girls:] drifting out on your own)

[Danielle:]

And you need a hand to hold

Darling

[All:]
Reach Out, Reach out

[Chauncey:]
Come on girl, reach out for me, reach out for me

[All:]
I'll be there, to love and comfort you
And I'll be there, to cherish and care for you

[Danielle:] I'll be there to comfort you

[All:]
I'll be there, to love and comfort you ([Danielle:] ooo,
ooo)
And I'll be there, to cherish and care for you

[Chauncey:] I can tell you the way I hang your head

[Lucy:] You're without of love, now you're afraid

[Danielle:]
And through your tears you look around
But there's no peace of mind to be found

[Tori talking:] I know what you're thinking. You're alone
now. No love of your own

[Danielle:] But darling

[All:] Reach out, Reach out

[Chauncey:] Come on girl, reach out for me. Reach out
for me.

[All:]
I'll be there, to give you all the love you need
([Danielle:] to give you all the love you need)
And I'll be there, you can always depend on me
([Lucy:] always depend on me)
And I'll be there, to give you all the love you need
([Lucy:] I will be there - [Danielle:] give you all the love
you need)
And I'll be there, you can always depend on me
And I'll be there, to give you all the love you need
And I'll be there, you can always depend on me.
([Lucy:] Always depend on me)

Danielle and Lucy can be heard back and forth in the
background through the last chorus.
