Long ago, and, oh, so far away
I fell in love with you before the second show.
Your guitar, and it sounds so sweet and clear, but
you're not really here.
It's just the radio.

Don't you remember you told me you loved me baby?
You said you'd be coming back this way again baby.
Baby, baby, baby, baby, oh, baby.

I love you, I really do.

Loneliness is such a sad affair, and I can hardly wait to
be with you again.
What to say, to make you come again?
Come back to me again, and play your sad guitar.
