She can kill with a smile  
She can wound with her eyes  
And she can ruin your faith with her casual lies  
And she only reveals what she wants you to see  
She hides like a child  
But she's always a woman to me

Oh, she takes care of herself  
She can wait if she wants  
She's ahead of her time  
Oh, and she never gives out  
And she never gives in  
She just changes her mind

And she'll promise you more  
Than the Garden of Eden  
Then she'll carelessly cut you  
And laugh while you're bleedin'  
But she'll bring out the best  
And the worst you can be  
Blame it all on yourself  
Cause she's always a woman to me
