Sugar pie, honey bunch  
You know that I love you  
I can't help myself  
I love you and nobody else

In and out my life  
You come and you go  
Leaving just your picture behind  
And I kissed it a thousand times  
When you snap your finger or wink your eye  
I come a-running to you  
I'm tied to your apron strings  
And there's nothing that I can do

Can't help myself  
No, I cant help myself

Sugar pie, honey bunch  
I'm weaker than a man should be  
I cant help myself  
I'm a fool in love you see

Wanna tell you I dont love you  
Tell you that we're through  
And I've tried  
But ev'ry time I see your face  
I get all choked up inside  
When I call your name  
Girl, it starts the flame  
Burning in my heart  
Tearing it all apart  
No matter how I try  
My love I cannot hide

'Cause sugar pie, honey bunch  
You know that I'm weak for you  
Can't help myself  
I love you and nobody else

Sugar pie, honey bunch  
Do anything you ask me to  
Can't help myself

I want you and nobody else
