Listen boy

Don't want to see you let a good thing slip away

You know I don't like watching

Anybody make the same mistakes I made

She's a real nice girl

And she's always there for you

But a nice girl wouldn't tell you what to do

Tell her about it

Tell her everything you feel

Give her every reason to accept that you're for real

Tell her about it

Tell her all your crazy dreams

Let her know you need her

Let her know how much she means

Tell her about it

Tell her how you feel right now

Tell her about it

The girl don't want to wait too long

Tell her about it

Tell her now and you can't go wrong

Tell her about it
