This old heart of mine been broke a thousand times  
Each time you break away I think you're gonna stay  
Lonely nights that come, memories that flow  
Bringing you back again, hurting me more and more

Maybe it's my mistake to show this love I feel inside  
'Cause each day that passes by,  
You've got me never knowin' if I'm comin' or going but I

I love you-ou-ou yes I do  
this old heart is weak for you  
I love you, yes I do

But if you leave me a hundred times  
A hundred times I'll take you back  
I'm yours whenever you want me  
I'm not too proud to shout it, tell the world about it  
'cause I

I love you-ou-ou  
This old heart is weak weak for you
