It's close to midnight, and something evil's lurking in the dark
Under the moonlight, you see a sight that almost stops your heart
You try to scream, but terror takes the sound before you make it
You start to freeze as horror looks you right between the eyes
You're paralyzed
'Cause this is thriller, thriller night
And no one's gonna save you from the beast about to strike
You know it's thriller, thriller night
You're fighting for your life inside a killer, thriller tonight
You hear the door slam and realize there's nowhere left to run
You feel the cold hand and wonder if you'll ever see the sun
You close your eyes and hope that this is just imagination, girl
But all the while, you hear the creature creeping up behind
You're out of time
'Cause this is thriller, thriller night
There ain't no second chance against the thing with forty eyes, girl
Thriller, thriller night
You're fighting for your life inside a killer, thriller tonight
Night creatures calling, the dead start to walk in their masquerade
There's no escaping the jaws of the alien this time (They're open wide)
This is the end of your life
They're out to get you, there's demons closing in on every side
They will possess you unless you change that number on your dial
Now is the time for you and I to cuddle close together, yeah
All through the night I'll save you from the terror on the

screen
I'll make you see
That this is thriller, thriller night
'Cause I can thrill you more than any ghost would ever
dare try
Thriller, thriller night
So let me hold you tight and share a
Killer, diller, chiller, thriller here tonight
'Cause this is thriller, thriller night
Girl, I can thrill you more than any ghost would ever
dare try
Thriller, thriller night
So let me hold you tight and share a killer, thriller, ow!
I'm gonna thrill ya tonight
Darkness falls across the land
The midnight hour is close at hand
Creatures crawl in search of blood
To terrorize y'all's neighborhood
I'm gonna thrill ya tonight, ooh baby
I'm gonna thrill ya tonight, oh darlin'
Thriller night, baby, ooh!
The foulest stench is in the air
The funk of forty thousand years
And grizzly ghouls from every tomb
Are closing in to seal your doom
And though you fight to stay alive
Your body starts to shiver
For no mere mortal can resist
The evil of the thriller
