I've never felt nothing in the world like this before
Now I'm missing you and wishing you would come back
through my door. ooh hoo
Why did you have to go?
You could have let me know; so now I'm all alone

Girl you could have stayed but you wouldn't give me a
chance
With you not around it's a little bit more than I can
stand
And all my tears they keep runnin' down my face
Why did you turn away?

So why did you run baby run and hide
Are you that afraid of me?
But I know it's a lie what your keeping inside
This is not how you want it to be

So baby I will wait for you
Cause I don't know what else I can do
Don't tell me I ran out of time
If it takes the rest of my life

Baby I will wait for you
If you think I find it just ain't true
I really need you in my life
No matter what I have to do
I'll wait for you

It's been a long time since you called me
(How could you forget about me)
You gotta be feeling crazy,ooooh
How can you walk away
(When) Everything stays the same
I just can't do it baby

What will it take to make you come back
Girl I told you what it is and it just ain't like that
Why can't you look at me?
You're still in love with me
Don't leave me crying

Baby why can't we just start all over again
Get it back to the way it was
If you give me a chance I can love you right
But you're telling me it won't be enough

So baby I will wait for you
Cause I don't know what else I can do
Don't tell me I ran out of time
If it takes the rest of my life

Baby I will wait for you
If you think I find it just ain't true
I really need you in my life
No matter what I have to do
I'll wait for you

So why did you run baby run and hide
Are you that afraid of me?
But I know it's a lie what you're keeping inside
That is not how you want it to be

Baby I will wait for you
Baby I will wait for you
If it's the last thing I do

Baby I will wait for you
Cause I don't know what else I can do
Don't tell me I ran out of time
If it takes the rest of my life

Baby I will wait for you
If you think I find it just ain't true
I really need you in my life
No matter what I have to do
I'll wait for you
I'll be waiting â€¦
