I've been lonely  
I've been waiting for you  
I'm pretending and that's all I can do  
The love I'm sending  
Ain't making it through to your heart  
You've been hiding, never letting it show  
Always trying to keep it under control  
You got it down and you're well on your way to the top  
But there's something that you forgot

What about love  
Don't you want someone to care about you  
What about love  
Don't let it slip away  
What about love  
I only want to share it with you  
You might need it someday

I can't tell you what you're feeling inside  
And I can't sell you what you don't want to buy  
Something's missing you got to  
Look back on your life  
You know something here just ain't right

What about love  
Don't you want someone to care about you  
What about love  
Don't let it slip away  
What about love  
I only want to share it with you

What about love  
Don't you want someone to care about you  
What about love  
Don't let it slip away  
What about love  
I only want to share it with you

Oh love  
Oh oh what about love  
Yeah

What about love  
Love love love  
What about what about love  
Oh love
