I've been lonely
I've been waiting for you
Unpretending and that's all I can do
The love I'm sending
Ain't makin' it through to your heart
You keep trying
Never letting it show
Always trying to keep it under control
You've got it down
And you're well on your way to the top
There's something you forgot

What about love?
Don't you want someone to care about you?
What about love?
Don't let it slip away
What about love?
I only want to share it with you

What about love?
Love
Love love

Yeah..
