Oo, hooo  
What are you doing the rest of your life?  
North and South and East and West of your life  
I have only one request of your life  
That you spend it all with me

I want to see your face in every kind of light  
In fields of dawn and forests of the night  
And when you stand before the candles on a cake  
Oh, let me be the one to hear the silent wish you make

Through all of my life  
Summer, Winter, Spring, and Fall of my life  
That is all I will recall of my life  
Is all of my life with you
