Lead me on girl if you must  
Take my heart and my love  
Take of me all that you want

And if there's a thing that you need  
I'd give you the breath that I breathe  
And if ever you yearn for the love in me  
Whenever wherever whatever, baby  
Whenever wherever whatever, ba-ba-baby

Wish I knew if I could  
Be the one that you would  
Love forever and a day, baby

And if there's a thing that you need  
For you and your blood I would bleed  
And if ever you yearn for the love in me  
Whenever wherever whatever, baby  
Whenever wherever whatever, ba-ba-baby  
Ba-ba-baby, ba-ba-baby

And if there's a thing that you need  
I'd give you the breath  
And if ever you yearn for the love in me  
Whenever wherever whatever, baby  
Whenever wherever whatever
