You're all I need to get by

You're like the sweet mornin' dew
I took one look at you
And it was plain to see
You were my destiny

With my arms open wide
I threw away my pride
I'll sacrifice for you
And dedicate my life for you

Ooh, I'll be gone, when you leave
Always there in time of need
And when I lose my will
You'll be there to push me up the hill
There's no, no looking back for us
We've got a love and sure enough it's enough
You're all, you're all I
Won't stop for, do a little more

You're all, all the joy under the sun
You're number one

You're all, you're all I need
You're all I need, oh yeah, yeah
You're all I need to get by

Ooh, you are
Ooh, you are

Honey, honey, honey, honey, honey
Oh, yeah, yeah, yeah, yeah
Ooh, oh yeah
