Every kiss, every hug seems to
Act just like a drug
You're getting to be a habit with me

Let me stay in your arms
I'm addicted to your charms
You're getting to be a habit with me

I used to think your love was something
That I could take or leave alone
But now I just can't do without my supply
I need you for my own

No, I can't break away
I must have you every day
As regularly as coffee or tea

You've got me in your clutches
And I can't break free
You're getting to be a habit with me
Can't break it
You're getting to be a habit with me

No, I can't break away
I must have you every day
As regularly as coffee or tea

You've got me in your clutches
And I can't break free
You're getting to be a habit with me
Can't break it
You're getting to be a habit with me
