Looks like we made it  
Look how far we've come my baby  
We mighta took the long way  
We knew we'd get there someday

They said, "I bet they'll never make it"  
But just look at us holding on  
We're still together still going strong

You're still the one I run to  
The one that I belong to  
You're still the one I want for life  
You're still the one that I love  
The only one I dream of  
You're still the one I kiss good night

Ain't nothin' better  
We beat the odds together  
I'm glad we didn't listen  
Look at what we would be missin'

They said, "I bet they'll never make it"  
But just look at us holding on  
We're still together still going strong

You're still the one I run to  
The one that I belong to  
You're still the one I want for life  
You're still the one that I love  
The only one I dream of  
You're still the one I kiss good night

You're still the one I run to  
The one that I belong to  
You're still the one I want for life  
You're still the one that I love  
The only one I dream of  
You're still the one I kiss good night

You're still the one I run to  
The one that I belong to  
You're still the one I want for life
