Everything is beautiful in its own way
Like a starry summer night, or a snow covered winter's
day
And everybody's beautiful in their own way
Under God's heaven, the world's gonna find a way

There is none so blind that's he who will not see
We must not close our minds, we must let our thoughts
be free
For every hour that passes by, you know the world gets
a little bit older
It's time to realize that the beauty lies in the eyes of the
beholder

Everything is beautiful in its own way
Like a starry summer night, or a snow covered winter's
day
And everybody's beautiful in their own way
Under God's heaven, the world's gonna find a way

We shouldn't care about the length of his hair, or the
color of his skin
Don't worry about what shows from without but the love
that lives within
We're gonna get it all together now, we know every
thing's gonna
Work out fine, just take a little time to look on the good
side, my friend
And straighten it out in your mind

Everything is beautiful in its own way
Like a starry summer night, or a snow covered winter's
day
Everybody's beautiful in their own way
'Cause under God's heaven, the world's gonna find a
way

Everything is beautiful in its own way
Like a starry summer night, or a snow covered winter's
day
And everybody's beautiful in their own way

Under God's heaven, the world's gonna find a way

Everything is beautiful in its own way

Like a starry summer night, or a snow covered winter's
day

Everybody's beautiful in their own way

Under God's heaven, the world's gonna find a way

Oh, we gotta find

We've gotta find a way, yea
