Everything is beautiful in its own way  
Like a starry summer night, or a snow covered winter's  
day  
And everybody's beautiful in their own way  
Under God's heaven, the world's gonna find a way

There is none so blind that's he who will not see  
We must not close our minds, we must let our thoughts  
be free  
For every hour that passes by, you know the world gets  
a little bit older  
It's time to realize that the beauty lies in the eyes of the  
beholder

Everything is beautiful in its own way  
Like a starry summer night, or a snow covered winter's  
day  
And everybody's beautiful in their own way  
Under God's heaven, the world's gonna find a way

We shouldn't care about the length of his hair, or the  
color of his skin  
Don't worry about what shows from without but the love  
that lives within  
We're gonna get it all together now, we know every  
thing's gonna  
Work out fine, just take a little time to look on the good  
side, my friend  
And straighten it out in your mind

Everything is beautiful in its own way  
Like a starry summer night, or a snow covered winter's  
day  
Everybody's beautiful in their own way  
'Cause under God's heaven, the world's gonna find a  
way

Everything is beautiful in its own way  
Like a starry summer night, or a snow covered winter's  
day  
And everybody's beautiful in their own way  
Under God's heaven, the world's gonna find a way

Everything is beautiful in its own way  
Like a starry summer night, or a snow covered winter's  
day  
Everybody's beautiful in their own way  
Under God's heaven, the world's gonna find a way

Oh, we gotta find  
We've gotta find a way, yea
