"Be Yourself"

Someone falls to pieces, sleeping all alone
Someone kills the pain, spinning in the silence
To finally drift away

Someone gets excited
In a chapel yard and catches a bouquet
Another lays a dozen, white roses on a grave

Yeah and to be yourself is all that you can do
Hey, to be yourself is all that you can do

Someone finds salvation in everyone, another only pain
Someone tries to hide himself, down inside himself he
prays
Someone swears his true love until the end of time
Another runs away, separate or united, healthy or
insane

And to be yourself is all that you can do, yeah
(All that you can do)
To be yourself is all that you can do
(All that you can do)

To be yourself is all that you can do
(All that you can do)

Hey, be yourself is all that you can do

Even when you've paid enough
Been pulled apart or been held up
Every single memory of the good or bad
Faces of luck

Don't lose any sleep tonight
I'm sure everything will end up alright
You may win or lose

But to be yourself is all that you can do, yeah
To be yourself is all that you can do

Oh, to be yourself is all that you can do
(All that you can do)

Hey, to be yourself is all that you can do
(All that you can do)

To be yourself is all that you can
Be yourself is all that you can
Be yourself is all that you can do
