The first time I saw you you were
Chasin down
A cyclone
All alone in the field
With railyards and clovers I kept rollin on
Never thought you'd wind up chasin
Me

Settle down
I won't hesitate
To hit the highway
Before you lay me to waste no
Settle up and I'll help you find something to drive
Before you drive me insane

Your tired of walkin
And you loathe the ground
The sidewalk will barely touched your feet
Life moves too slowly to hold you down
With ringing hands you take it out on me

Settle down
I won't hesitate to hit the highway
Before you leave me to waste
Settle up and i'll help you find something to drive

Before you drive me insane

so get yourself a car
and drive it all alone
get yourself a car
and ride it on the wind
get yourself a car
and drive it all alone
get yourself a car
and ride it on the wind yea

yea we'll settle down
i won't hesitate to hit the highway
before you leave me to waste
settle up and i'll help you find something to drive
before you drive me insane

get yourself a car
and drive it all alone
get yourself a car
and ride it on the wind
get yourself a car
and drive it all alone
get yourself a car
and ride it on the wind
