Killing in the name of...  
Some of those that work forces  
Are the same that burn crosses  
Some of those that work forces  
Are the same that burn crosses  
Some of those that work forces  
Are the same that burn crosses  
Some of those that work forces  
Are the same that burn crosses

Huh!

Killing in the name of...  
Killing in the name of  
And now you do what they told ya  
And now you do what they told ya  
And now you do what they told ya  
And now you do what they told ya  
And now you do what they told ya  
And now you do what they told ya  
And now you do what they told ya  
And now you do what they told ya  
And now you do what they told ya  
And now you do what they told ya  
But now you do what they told ya  
Well now you do what they told ya  
Those who died are justified, for wearing the badge  
They're the chosen whites  
You justify those that died by wearing the badge  
They're the chosen whites  
Those who died are justified, for wearing the badge  
They're the chosen  
Whites  
You justify those that died by wearing the badge  
They're the chosen whites  
Some of those that work forces  
Are the same that burn crosses  
Some of those that work forces  
Are the same that burn crosses  
Some of those that work forces  
Are the same that burn crosses

I won't do what you tell me. Fuck you,  
I won't do what you tell me. Fuck you,  
I won't do what you tell me. Fuck you,  
I won't do what you tell me.  
Motherfucker! Ugggh!
