You give me a heart attack  
You look like the summertime  
You call me an artifact  
But I'll save that for another time

I could be rich or poor  
I don't need anymore

Keep your love inside the kitchen  
You can feed me anything  
Leave the feathers on the chicken  
Peel the leather from your skin

I could be young or old  
Sweet or sad, hot or cold

Man or animal, I don't care at all  
Find the antidote underneath the dose  
Man or animal, obedient, out of control

I will love you more than money  
I will breathe you in the smoke  
I will drink you in my honey  
Sweet and golden down my throat

When you're right, when you're wrong  
Head is near, eyes are gone

You can drown my appetite  
I will sip your tears at night  
You can tie me to a chair  
Skin and bones, I don't care

I could be rich or poor  
I don't need anymore

Man or animal, I don't care at all  
Find the antidote underneath the dose  
Man or animal, obedient, out of control

Man or animal, I don't care at all  
Find the antidote underneath the dose

Man or animal, obedient, out of control

Man or animal, I don't care at all  
Find the antidote underneath the dose  
Man or animal, obedient, out of control, out of control

You give me a heart attack  
You give me a heart attack  
I will give you more than that  
I will give you more than that

You give me a heart attack  
You give me a heart attack  
I will give you more than that  
I will give you more than that
