Well they don't hate you, you know they love you,  
but they're gonna come kill you.  
They don't mean any harm it's just what they do.  
Could be your mother, could be your father,  
or your best friend in the world.

But just like blood in rain, love and pain are one and  
the same.  
(One and the same.)  
Just like blood in rain, love and pain are one and the  
same.  
(One and the same.)  
Yeah, yeah, yeah.

You wear a mask with a target,  
keep your enemies closer.  
You fall in love from a great height,  
now the easy part's over.  
Choose your battles, not your soldiers,  
never sure by their colors.

But just like blood in rain, love and pain are one and  
the same.  
(One and the same.)  
Just like blood in rain, love and pain are one and the  
same.  
(One and the same.)  
Hey, hey, hey, hey.

Just like blood in rain, love and pain are one and the  
same.  
Just like blood in rain, love and pain are one and the  
same.  
(One and the same.)  
Just like blood in rain, love and pain are one and the  
same.  
(One and the same.)  
Just like blood in rain, love and pain are one and the  
same.  
(One and the same.)  
Hey, hey, hey, hey.  
Hey, hey, hey, hey.

Hey, hey, hey, hey.  
Hey, hey, hey, hey.
