Well, they don't hate you, you know they love you
But they're gonna come, kill you
They don't mean you any harm
It's just what they do

Could be your mother
Could be your father
Or your best friend
In the world

But just like blood and rain
Love and pain are one and the same
(One and the same)
Just like blood and rain
Love and pain are one and the same
(One and the same)
Yeah, yeah, yeah

You wear a mask with a target
Keep you're enemies closer
You fall in love from a great height
Now the easy part's over

Choose you're battles
Not you're soldiers
You know they'll show
Their colors

But just like blood and rain
Love and pain are one and the same
(One and the same)
Just like blood and rain
Love and pain are one and the same
(One and the same)
Hey, hey, hey, hey

Just like blood and rain
Love and pain are one and the same
Just like blood and rain
Love and pain are one and the same
(One and the same)

Just like blood and rain
Love and pain are one and the same
(One and the same)
Just like blood and rain
Love and pain are one and the same
(One and the same)
Hey, hey, hey, hey

Hey, hey, hey, hey
Hey, hey, hey, hey
Hey, hey, hey, hey
