You know what to do, you know what I did.
Since you know everything just clue me in.
I am such a wreck, I am such a mess.
I know what I know, why don't you fill in the rest?
I will bring you down I will make it bad.
While you're feeling proud, why don't you help me?

Such a shame that I wouldn't know by now,
your revelations cut me in.
I don't want to live without your revelations.
Revelations.

You know what to say, you know what I said.
You know what I dream sleeping in my bed.
You hold all the keys, you know all the roads.
Why don't you guide me in if I'm such a lost soul?
I will spin it around, I will make you ill.
Since I'm so broken down, why don't you fix me?

Such a shame that I wouldn't know by now,
your revelations cut me in.
I don't want to live without your revelations.
Revelations.

I am haunted when I am sleeping.
Try to give without receiving.
It's in the applebite,
it's in the days and nights.
In the afterlife we'll meet.

Such a shame that I wouldn't know by now,
your revelations cut me in.
I don't want to live without your revelations.

Such a shame that I wouldn't know by now,
your revelations cut me in.
I don't want to live without your revelations.
Revelations.
