Well I've been watchin'
While you've been coughin'
I've been drinking lots
While you've been nautious
And now I'll drink to hell
While you kill yourself
And I've got just one thing
That I can offer

Go and save yourself
Take it on me
Go and save yourself
Take it on me yeah

I'm not a mother
I'm not a poppin
And I won't preach to you
But it's a caution
You better understand
That I won't hold your hand
But if it helps you men
Then I won't stop it

Go and save yourself
Take it on me
Go and save yourself
Take it on me
Go and save yourself
Take it on me
Go and save yourself
Take it on me yeah

Run if you want
And I'll see you at the bottom
Where you crawl
On the stairs
And put the pain on me
So you don't feel a thing

Go and save yourself
Take it on me
Go and save yourself

Take it on me
Go and save yourself
Take it on me
Go and save yourself
Take it on me yeah!
