I'm going to fight 'em off  
A seven nation army couldn't hold me back  
They're gonna rip it off  
Taking their time right behind my back  
And I'm talking to myself at night  
Because I can't forget  
Back and forth through my mind  
Behind a cigarette  
And a message coming from my eyes says leave it  
alone

Don't want to hear about it  
Every single one's got a story to tell  
Everyone knows about it  
From the Queen of England to the hounds of Hell  
And if I catch you coming back my way  
I'm going to serve it to you  
And that ain't what you want to hear  
But that's what I'll do  
And a feeling coming from my bones says find a home

I'm going to Wichita  
Far from this opera, forever more  
I'm going to work the straw  
Make the sweat drip out of every pore  
And I'm bleeding and I'm bleeding and I'm bleeding  
Right before my Lord  
All the words are going to bleed from me  
And I will sing no more  
And the stains coming from my blood tell me go back  
home
