Once upon a time
I was of the mind
To lay your burden down
Leave you where you stood

You believed I could
You'd seen it done before
I could read your thoughts
And tell you what you saw

And never say a word
But now all that is gone
Over with and done
Never to return

And I can tell you why
People die alone
I can tell you I'm
A shadow on the sun

Staring at the loss
Looking for the cause
And never really sure

Nothing but a hole
To live without a soul
And nothing to be learned

And I can tell you why
People go insane
I can show you how
You could do the same

I can tell you why
The end will never come
I can tell you I'm
A shadow on the sun

Shapes of every size
Move behind my eyes
Doors inside my head
Bolted from within

Every drop of flame
Lights a candle in
Memory of the one
Who lived inside my skin

I can tell you why
People go insane
I can show you how
You could do the same

I can tell you why
The end will never come
I can tell you I'm
A shadow on the sun

Shadow on the sun
Shadow on the sun
Shadow on the sun
Shadow on the sun

Shadow on the sun
Shadow on the sun
Shadow on the sun
Shadow on the sun
Sun, sun
