YEAAAHH!

The world is my expense
The cost of my desire
Jesus blessed me with it's future
And I protect it with fire
So raise your fists and march around
Don't dare take what you need
I'll jail and bury those committed
And smother the rest in greed
Crawl with me into tomorrow
Or I'll drag you to your grave
I'm deep inside your children
They'll betray you in my name

Hey!
Hey!
Sleep now in the fire

Hey!
Hey!
Sleep now in the fire

The lie is my expense
The scope with my desire
The party blessed me with it's future
And I protect it with fire
I am the nina, the pinta, the santa maria
The noose and the rapist, the fields overseer
The agents of orange
The priests of hiroshima
The cost of my desire
Sleep now in the fire

Hey!
Hey!
Sleep now in the fire

Hey!
Hey!
Sleep now in the fire

For it's the end of history
It's caged and frozen still
There is no other pill to take
So swallow the one
That makes you I'll
The nina, the pinta, the santa maria
The noose and the rapist, the fields' overseer
The agents of orange
The priests of hiroshima
The cost of my desire
Sleep now in the fire

YEAAAH!

Sleep now in the fire!
Sleep now in the fire!
Sleep now in the fire!
Sleep now in the fire!
